CIRCLE OF SECURITY
PARENTING GROUP

OUR FACILITATORS
Lynne Ryan (Clinical Psychologist)
Jessica Condell (BSW)
An eight week Parent Group for parents with babies, infants and toddlers up to 3 years.

The group is designed to enhance the bond and sense of security for both parent and infant in their relationship by:

😊 Giving parents a roadmap as a way to better understand their children’s needs.

😊 Inviting parents to reflect on their own experiences of being parented and how it impacts on their parenting.

😊 Providing a safe environment where parents can focus on their strengths and struggles and benefit from the experience of sharing with other parents and growing together in emotional parenting.

It is a closed group which builds from week to week, so commitment to attend is required.

WHY CHOOSE “CIRCLE OF SECURITY”

It is an internationally recognised evidence based program which draws from 50 years of research into attachment.
