& GRANDDADS**

Playgroup NSW supported playgroups are led by qualified early childhood educators, giving dads the opportunity to meet other dads in the community and connect with their children through play.

Playgroup is a place where mums, dads, grandparents, caregivers, children and babies meet up in a relaxed and friendly environment to have fun & learn through play. Playgroup is a wonderful opportunity to meet other people in a similar situation. It gives you the chance to make new friends, learn from one another and develop a supportive local network for you and your family.
